Pregnancy Test Certificate

To Whom it May Concern,

On 15 and 19 May, 2025, at "Tullumun", 16408 Moonie Highway, Southwood 4006, for Peart Pastoral Pty Ltd, I pregnancy tested using ultra-sound 79 head detectable pregnant.

The following information supplied by the vendor: 79 Hereford/Shorthorn/Angus cow joined to Sahiwal/Shorthorn cross bull. Bulls were put out on October 20 for 3 months joining period so first calves should start dropping end of July.

Yours sincerely,

RD Smyth
